CHRP Newsletters

1) Volume 1, Issue 1, May 2009
   a) Who We Are
   b) Mission Statement
   c) Our Goals
   d) From the Director
   e) Our Services
   f) Faculty Focus
   g) Projects
      i) Electronic Medical Record Studies in Nebraska and South Dakota
      ii) Paramedic Critical Care
      iii) State of Patient Safety in Nebraska Pharmacy
      iv) Exploring the Interactions of Nebraska Community Infrastructures
           and Organizations, and Consumers about Personal Health Data and
           Health Information
   h) Patient Safety
      i) Projects
      ii) Foundations for Patient Safety Interprofessionalism Course
      iii) Dissemination
      iv) Student Research
      v) Electronic Health Records
      vi) Committee Work
   i) Patient Safety Organization
   j) Patient Safety Expert Panel Reviewers
   k) Research Development
      i) Dissemination
      ii) Projects
   l) Dissemination
   m) Grants
   n) Recognition
   o) Technical Reports
   p) Courses
2) Volume 1, Issue 2, February 2010
   a) Our History
   b) Faculty Involvement
   c) SUSTAIN Grant – Internal Advisory Group
   d) Faculty Actively Involved in Center for Health Services Research and Patient Safety

3) Volume 1, Issue 3, April 2010
   a) The Importance of Mentoring
   b) Foundations in Patient Safety; IPE 410 Patient Safety Course
   c) "Meet the Researcher" Series
   d) Introducing the Senior Scientist Mentoring Program
   e) Health Services Research Fellowship in Patient Safety

4) Volume 1, Issue 4, June 2010
   a) Undergraduate Students Join in Research with the Creighton Center for Health Services Research and Patient Safety
   b) Current Issues in Practice: Electronic prescribing
   c) Emergency Medical Services Research in Action

5) Volume 1, Issue 5, August 2010
   a) Interprofessional Patient Safety Day for Creighton Community
   b) Electronic Prescribing and the Pharmacist
   c) Researchers Participate at AcademyHealth with Podium and Poster Presentations
   d) Master of Science in Information Technology Management Partners with CHRP for Health Care Track
   e) Lessons from the Federal Grant Review Process
6)  Volume 1, Issue 6, October 2010
   a) IPE 410 Foundations in Patient Safety
   b) Partners for Community Health: Are New Roles for the Paramedic Emerging?
   c) Introducing Senior Scientist Mark Latta, D.M.D., M.S.
   d) Nationally Recognized Short Course Training in Human Factors Engineering and Patient Safety

7)  Volume 1, Issue 7, December 2010
   a) Patient Safety Day
   b) Pharmacists for Patient Safety
   c) Introducing Senior Scientist J. Chris Bradberry, PharmD, CLS
   d) Agency for Healthcare Research and Quality Annual Conference: Lessons Learned

8)  Volume 2, Issue 1, February 2011
   a) Use of Electronic Health Records in Nebraska Physical Therapy Practices
   b) Progress in “SUSTAIN”ing Health Services Research at Creighton University
   c) CHRP Launches Redesigned Website

9)  Volume 2, Issue 2, April 2011
   a) National Senior Scientist Leaders Visit CHRP
   b) Interprofessional Patient Safety Day
   c) CHRP Meet the Researcher Update
   d) Staff Spotlight: Ted Kasha

10) Volume 2, Issue 3, June 2011
    a) Student Research Program Update
    b) The Center for Health Services Research and Patient Safety: Responding to the Jesuit Mission of Creighton University
    c) Staff Spotlight: Kelly McColley-Anderson
11) Volume 2, Issue 4, August 2011
   a) Update – Implementing EHRs Safely in Rural Community Ambulatory Care Offices
   b) CHRP at the AcademyHealth Annual Research Meeting
   c) Pharmacists for Patient Safety Update
   d) CHRP Meet the Researcher May 2011

12) Volume 2, Issue 5, October 2011
   a) CHRP Experts Serve State of Nebraska as Evaluators for Oral Health HRSA Workforce Grant
   b) Impact of Personal Health Record Use on Patients with Type 2 Diabetes
   c) Faculty Member Accepted into the American Association of Colleges of Pharmacy Fellows Program
   d) Staff Spotlight: Jamie Steemken

13) Volume 2, Issue 6, December 2011
   a) Health Information in Rural Communities: Exploring Community Health Infrastructure
   b) Creighton University Faculty Members Present at National Conference

14) Volume 3, Issue 1, February 2012
   a) An Overview of Authorship Issues in Health Sciences
   b) CHRP Meet the Researcher Update

15) Volume 3, Issue 2, April 2012
   a) External Advisory Committee Conducts 2012 Site Visit
   b) CHRP Faculty Participate in School of Medicine Seminars on the First Week Event
   c) CHRP Participates in Patient Safety Awareness Week
   d) Faculty Member Elected for Catherin Worthingham Fellow of the American Physical Therapy Association
16) Volume 3, Issue 3, August 2012
   a) Letter from the Director
   b) Methods in Health Services Research: Focus Group Methods
   c) CHRP Faculty-Student Mentoring
   d) 2012 AcademyHealth Annual Research Meeting and Qualitative Findings from Pilot Project 2
   e) Grants Boot Camp Workshop

17) Volume 3, Issue 4, October 2012
   a) Sampling Considerations in Research: Quantitative Design
   b) Staff Spotlight – Mavis Hall
   c) Journal and Author Impact Factors
   d) Grant Boot Camp Workshop Series: Early Lessons Learned

18) Volume 3, Issue 5, December 2012
   a) Sampling Considerations in Research: Mixed Methods
   b) CHRP Faculty Participates in Health Disparities Research Training Program
   c) Society for Participatory Medicine and e-Patients
   d) IPE 410: Interprofessional Foundations in Patient Safety

19) Volume 4, Issue 1, February 2013
   Letter from the Director
   a) Sampling Considerations in Research: Qualitative Research
   b) CHRP Presents Patient Safety Education at the Institute of Leadership and Management
   c) Measuring Health Literacy of Persons with Type 2 Diabetes in the Digital Divide
20) Volume 4, Issue 2, April 2013
   a) Action Research...A Methodology for Implementing Change Founded on Explanations, Understandings and Deeper Meanings
   b) CHRP Director Presents at AACP Leadership for Institutional Effectiveness Meeting – Building Successful Interdisciplinary Research
   c) Inaugural Event Held at Creighton University

21) Volume 4, Issue 3, June 2013
   a) Addressing Non-Response Bias in Survey Research: Post-Hoc Considerations
   b) Initial Offering of the Grants Boot Camp Workshop Series Concludes
   c) CHRP Oral Health Evaluation Assists Local Health Department with “Model Practice” Status
   d) CHRP Researcher Presents at Sigma Theta Tau Research Meeting

22) Volume 4, Issue 4, November 2013
   a) Creighton Research Infrastructure Program to Achieve Sustainability Project Grant Accomplishments
   b) Abbott Receives Haddix Award to Conduct Research on the Digital Divide
   c) Staff Spotlight: David Cloutier
   d) 2013-2014 Grants Boot Camp Workshop Series

23) Volume 5, Issue 1, February 2014
   a) Integrating Qualitative Research into Randomized Controlled Trials
   b) Grants Boot Camp Workshop Series: Early Lessons Learned
   c) Fuji Presents Poster at AMIA 2013 Annual Symposium

24) Volume 5, Issue 2, April 2014
   a) "Passing the Baton"...Reflecting on a Decade of Accomplishment
   b) Sponsored Projects Led by CHRP over the years
   c) Analysis of Government Survey Data from Public Use Data Files
   d) Prescriptions on e-prescribing Safety and Quality
   e) Nurse Engagement with Electronic Health Records
25) Volume 5, Issue 3, Summer 2014
   a) Synthesis through Meta-analysis
   b) Grants Boot Camp Workshop Series Concludes
   c) Student Reflection on IPE 410 Interprofessional Foundations in Patient Safety

26) Volume 6, Issue 1, Fall 2014
   a) Cluster Analysis Technique
   b) Hot Topics in Health Services Research: Patient Engagement with Blue Button
   c) Highlight on Student Research: Dr. Shirley Blanchard
   d) Research Journal Club Helps Professors Integrate Research into Teaching

27) Volume 6, Issue 2, Winter 2014
   a) Hierarchical Linear Modeling
   b) Nebraska Legislative Study Identifies Eight Building Blocks for Health
   c) Student Researcher Today, Informed Practitioner Tomorrow
   d) Hot Topics in Health Services Research: Improving Patient Handoffs

28) Volume 6, Issue 3, Spring 2015
   a) Author-Level and Article-Level Metrics: Still Elusive
   b) Improving Rural Population Health
   c) Hot Topics in Health Services Research: Errors in Electronic Prescribing
   d) Value of Student Research

29) Volume 6, Issue 4, Summer 2015
   a) Visual Display of Data – A Critical Dissemination Tool
   b) CHRP Welcomes Dr. Drew Roberts
   c) Hot Topics in HSR: Enhancing the HER to Support Clinical Workflow
   d) Health Services Research and Policy Development: A Student Perspective
30) Volume 7, Issue 1, Winter 2015
   a) Uncovering Stories in Research Data with Group-Based Trajectory Models
   b) Hot Topics in HSR: Impact of Medication Therapy Management Services
   c) Key Findings for CHRP Research Projects
