Visiting Student FAQ’s

Can I get financial aid from Creighton?
If you are a student at another university, you can obtain federal loans from your home school. Your school should send a consortium agreement to our Office of Financial Aid. Creighton will provide information on applicable tuition and fees.
If you are taking courses for license renewal or certifications through your state (e.g., California) you may want to consider private or alternative loans.

Can I take the class anytime I want?
No, there are some synchronous courses and test times that will require you to be on line at the time set by the instructor. The Therapeutics courses require that you take the courses in a specific sequence.

Can I take all 16 hours in one semester?
Not usually. Approval of course load will be granted by the Associate Dean of Academic Affairs. It depends on what courses you want to take or if you’ve ever taken courses on-line before. The Therapeutics courses require that you take the courses in a specific sequence.

Can I audit a class?
Yes, you can audit a class but you will be charged tuition. Practicing pharmacists may get additional discounts. Please refer to the website: http://catalog.creighton.edu/pharmacy-health-professions/administration-academic-policies/auditing-courses/
