

## Dean's Message

Activities and learning are in full swing in the new fall semester at the School of Pharmacy and Health Professions. Make sure to read my note to find out about our fall enrollment and plans for future growth. Read [more](#).

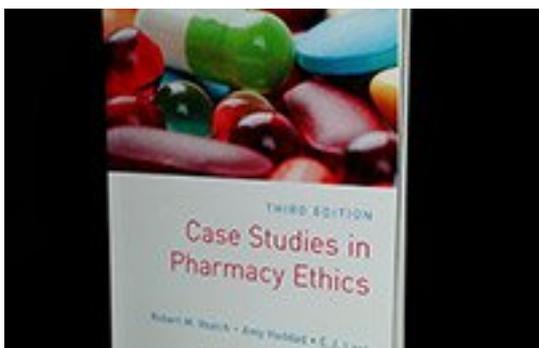

## Global Reach

Partnerships expand Creighton's international presence in the health sciences. Did you know that the University's health sciences programs have international partnerships with 10 universities? [Learn more](#).

## Unique Clinic

A church's free clinic offers Creighton students, faculty and alumni an opportunity to give back. Learn [more](#) about this unique collaborative care clinic.

## New Ethics Questions

The latest edition of the pharmacy ethics book co-authored by Amy Haddad, PhD, adds studies on health insurance, taking on new ethical questions in health care delivery as it explores the broad range of ethical issues pharmacists encounter. Learn [more](#).

## Play Ball!

Creighton once again was the proud host of the NCAA® Men's College World Series®. Staff and faculty

volunteers provide medical assistance every year to ensure that no players or coaches return home injured. Read [more](#).

## 'Be the Change'

Creighton students and faculty in the Physical Therapy Department were told they can "Be the Change" for a health care system in need of solutions. Learn [more](#).

## 10-Year Approval

The American Occupational Therapy Association has granted a 10-year approval of the Occupational Therapy Department's pediatric fellowship program. Learn [more](#).

## Students Learn Teamwork

In a new Doctor of Physical Therapy curricular component, 60 third-year PT students are working in three-person teams with a faculty or PT resident mentor, focusing on one patient for a five-week period at a student-run clinic. Read [more](#).

## OT at the Gym

Elizabeth Hladky Lilla, OTD'03, owner of Metro Stars Gymnastics in Omaha, found that her roles as an occupational therapist and a gymnastics coach went hand in hand. Read [more](#) about how Lilla's gym is helping in a Creighton study.

## Chosen for Leadership

Pharmacy faculty member Kevin Fuji, PharmD, has been selected by the American Association of Colleges of

Pharmacy for a year-long research leadership development program. Read [more](#).

## Time to Say Good-bye

Chinese students bid farewell at a celebratory gala in July on campus. The 56 exchange students sang, danced, played musical instruments and expertly demonstrated martial arts to show their gratefulness to Creighton. Read [more](#).

## Mentors Needed

Alumni mentors are needed for incoming pharmacy, physical therapy and occupational therapy students. Learn [more](#) about volunteering for the rewarding SPAHP Alumni Student Mentoring Program and sign-up to become a mentor today.

## Upcoming Events
